## Adventure....

CamperVanTastic lead the way in Campervan adventure travel with the UK's largest fleet of VW California and Mercedes Benz Marco Polo. Their multi-award winning team all have in-depth campervan experience from winter camping in Norway below -27C to +46C in Greece and a lot more in between! Independently inspected & accredited by Visit England and the BVRLA for quality standards, you can be assured that CamperVanTastic offers an unrivalled service. CamperVanTastic can also provide many optional extras to enhance your adventure, such as surf bars, roof boxes, bike racks, drive-away tent awnings, Cobb BBQ, Kayaks and kites. Upgrade to European Cover to explore Europe and with un-limited mileage at no extra charge it is up to you how far you want to go!

## Eat....

An electrically powered pop-up roof provides full head height for onboard cooking and dining. The swiveling front seats enable mealtimes to be more sociable with everyone around the inbuilt table. All our camper vans have a sink, double gas ring burner, water tank and fridge and are fully equipped with pans and crockery. Just park up, roll out the sun canopy, grab the table and folded chairs from the handy stowaway places and eat al fresco.

## Sleep....

The pop-up roof also provides a super comfy double bed, with a plush thick mattress and sprung base. In addition the lower seats each have electric recline and convert in to a second double bed that has air cushion adjustment and we supply a Duvalay memory foam mattress for extra comfort. The programmable heating and night curtains ensure that you enjoy a peaceful, safe and cozy night's sleep.

## Drive....

All our campervans come with top of the range diesel Euro 6 engines with innovative energy-saving technologies to reduce fuel consumption (up to 45mpg combined) and AdBlue to reduce harmful emissions. The Marco Polo has a powerful 2.5 litre 190BHP engine with a 7G tronic plus automatic gearbox, cruise control, parking heater and a thermatic 3 zone automatic climate control. Other mod cons include integrated Garmin satellite navigation system, radio with media/audio and Bluetooth hands-free phone connectivity.

*We hired for our wedding in Italy. The team at Campervantastic are incredible in their knowledge and ability to make you very excited about a holiday! We had the most amazing time in the van, driving through Lake Annecy, Tuscany, Lake Como and back to the UK. We highly recommend campervantastic to hire your dream campervan. It'll be a trip you'll never forget! in absolute luxury!*

*Thank you so much for looking after us so well on Saturday. You made what could have been quite a complicated exercise very easy; and your sound and impartial advice, based on your own experiences, was hugely appreciated.*
